

A modern living and dining room interior. On the left, a dining table with two chairs is set for a meal. A large window is covered with a teal roller blind. In the center, a white circular graphic contains the text 'Roller Blinds Collection'. To the right, a grey sofa with several patterned and solid-colored pillows is positioned against a light grey wall. A large framed picture of a person on horseback is mounted on the wall above the sofa. The floor is made of dark wood planks.
